THE PERSONAL PRAYER SET

The following four books are major tools, guidelines and examples on how to express yourself before Hashem:

CALLING OUT TO HASHEM - selected examples from the book of Psalms - itself which show how to express your heart before Hashem

WHERE EARTH AND HEAVEN KISS - a step-by-step guide on how to consistently and successfully do hitbodedut daily, with tons of examples of different modes of expression

THE FLAME OF THE HEART - selected relevant prayers from Reb Noson's Likutey Tefilot giving us an opening and example of how to express oneself openly before Hashem

ENTERING THE LIGHT - selected prayers from Reb Noson's Likutey Tefilot on the highlight festivals of the entire year, giving us a means to express our joy and yearning in experiencing these special moments of the year

THE POWER OF PSALMS - 1 + 2

Saying Tehillim (Psalms) is an age-old Jewish practice. The image of the well-worn volume soaked with a mother’s tears accompanies many children as they grow up. Individuals, congregations and entire communities say Tehillim to evoke merit for the sick, those in danger, the childless, and many others. Psalms are also part of our daily prayers, giving voice to our desire to connect with God.

For many of us, though, the Tehillim remain an enigma. How exactly do we apply King David’s prayers to our own situation? How do we arouse our hearts with words that we may not understand fully? In short, how do we find ourselves in the Psalms?

Rebbe Nachman of Breslov shows us how. His teachings probe and extract the deeper meaning of Psalms and their import for our daily lives. With incisive commentary and original insights, the Rebbe transforms our saying of Tehillim from rote recital to genuine prayer. The next time you “say Tehillim,” say it with The Power of Psalms. With Rebbe Nachman at your side, you can indeed find yourself and your inspiration in the Psalms.

The first volume covers until Psalm 41. Volume 2 covers until Psalm 72.

The set is finally available after being out of stock for a long time.

THE POTENCY OF PRAYER

The prayers of a person are the service of his spirit, and stand in an extremely lofty place.

These prayers of a person split open the heavens and open windows Above in order to ascend [to its intended goal]" (Zohar II, 201a

Do we ever entertain the idea that prayer itself is the key to our salvation? Why don’t we exert ourselves even just a little bit more to pour out our hearts in prayer and supplication? Perhaps it’s because we don’t grasp the potency of prayer. Is it reasonable that we can open our hearts and reach out to an unseen God who hears and listens to every word we articulate? Do we find it so hard to understand that there is a God who created us and wants us to turn to Him for help for every difficulty we experience.

Our forefathers prayed with their own words, flowing from their hearts. Today’s Siddur is based on the established prayers from the time of the second Beis HaMikdash (around 350 B.C.E.) some 2,400 years ago. Are the prayers still relevant today? How often do we recite the prayers by rote, without really understanding the meaning behind the words? What is the reason for the specific order of the prayers? What is the purpose of each prayer? And most importantly, what are we expected to accomplish with our prayers.

The Potency of Prayer, based on the teachings of Rebbe Nachman of Breslov (1772-1810), a leading Chassidic master, and his closest disciple, Reb Noson (1780-1844), offers a comprehensive explanation of the daily prayers, including Shabbos, Rosh Chodesh and Festivals.

By reviewing the entire Siddur, The Potency of Prayer delves into the reason behind each prayer and explains how the prayers are interconnected. With a blend of straightforward commentary and Kabbalistic insights, you will discover the power that lies behind the words and realize the potency of your efforts.

Rebbe Nachman once advised his foremost disciple, Reb Noson, to collect the names of the Tzaddikim and to recite them. Recitation of their names, he taught, arouses their merit to bring about changes in the Act of Creation, thereby altering Nature, for the good.

This book contains all the names of the Tzaddikim mentioned in all the books of the Bible, as well as all the sages of the Talmud, down through the centuries to our current era. Stating that the merit of the tzaddikim stands to the credit of those who remember them, that their requests for matters, both spiritual and material, be answered, Reb Noson writes in his closing prayer: “And let the light of wisdom and knowledge be opened within us, that we may learn, teach and keep all the words of the Torah they have taught us.

**THE TREE THAT STANDS BEYOND SPACE**

By Dovid Sears
For thousands of years, the Jewish mystical tradition was a carefully-guarded secret, its profound insights concealed in often bewildering riddles and hints. Then the Baal Shem Tov, founder of Chassidism, and his great-grandson, Rebbe Nachman of Breslov, made those teachings not only accessible but applicable to all. This eye-opening introduction to some of Rebbe Nachman's teachings highlights the experiential aspects of his approach to Divine illumination, taming the mind, transcending conflict, meditation, and more.

Translated by Avraham Greenbaum
Annotated by Chaim Kramer

This convenient, pocket-sized work presents a concise formulation of the seven basic principles which are at the root of all of Rebbe Nachman’s teachings. To put these ideas into practice, Rabbi Yitzchak Breiter (d. 1943), a Breslover leader in prewar Poland, offers a Seder HaYom (Order of the Day) encompassing the spiritual practices most strongly emphasized by Rebbe Nachman— including daily prayer, hitbodedut, study, eating in holiness, earning a living, giving charity, and more

THE POTENCY OF PRAYER

*The prayers of a person are the service of his spirit, and stand in an” extremely lofty place*

*These prayers of a person split open the heavens and open windows Above in (order to ascend [to its intended goal]” (Zohar II, 201a)*

Do we ever entertain the idea that prayer itself is the key to our salvation? Why don’t we exert ourselves even just a little bit more to pour out our hearts in prayer and supplication? Perhaps it’s because we don’t grasp the potency of prayer. Is it reasonable that we can open our hearts and reach out to an unseen God who hears and listens to every word we articulate? Do we find it so hard to understand that there is a God who created us and wants us to turn to Him for help for every difficulty we experience?

Our forefathers prayed with their own words, flowing from their hearts. Today’s Siddur is based on the established prayers from the time of the second Beis HaMikdash (around 350 B.C.E.) some 2,400 years ago. Are the prayers still relevant today? How often do we recite the prayers by rote, without really understanding the meaning behind the words? What is the reason for the specific order of the prayers? What is the purpose of each prayer? And most importantly, what are we expected to accomplish with our prayers?

*The Potency of Prayer*, based on the teachings of Rebbe Nachman of Breslov (1772-1810), a leading Chassidic master, and his closest disciple, Reb Noson (1780-1844), offers a comprehensive explanation of the daily prayers, including Shabbos, Rosh Chodesh and Festivals.

By reviewing the entire Siddur, *The Potency of Prayer* delves into the reason behind each prayer and explains how the prayers are interconnected. With a blend of straightforward commentary and Kabbalistic insights, you will discover the power that lies behind the words and realize the potency of your

Shemot Hatzaddikim - Names of the Tzaddikim

With additional material in Russian

Rebbe Nachman once advised his foremost disciple, Reb Noson, to collect the names of the Tzaddikim and to recite them. Recitation of their names, he taught, arouses their merit to bring about changes in the Act of Creation, thereby altering Nature, for the good.

This book contains all the names of the Tzaddikim mentioned in all the books of the Bible, as well as all the sages of the Talmud, down through the centuries to our current era. Stating that the merit of the tzaddikim stands to the credit of those who remember them, that their requests for matters, both spiritual and material, be answered, Reb Noson writes in his closing prayer: “And let the light of wisdom and knowledge be opened within us, that we may learn, teach and keep all the words of the Torah they have taught us.

Foreward and Epilogue prayer translated into Russian

SHEMOT HATZADDIKIM - NAMES OF THE TZADDIKIM

with additional material in Russian

Rebbe Nachman once advised his foremost disciple, Reb Noson, to collect the names of the Tzaddikim and to recite them. Recitation of their names, he taught, arouses their merit to bring about changes in the Act of Creation, "thereby altering Nature, for the good.

This book contains all the names of the Tzaddikim mentioned in all the books of the Bible, as well as all the sages of the Talmud, down through the centuries to our current era. Stating that the merit of the tzaddikim stands to the credit of those who remember them, that their requests for matters, both spiritual and material, be answered, Reb Noson writes in his closing prayer: "And let the light of wisdom and knowledge be opened within us, that we may learn, teach and keep all the words of the Torah they have taught us.

HIDDEN TREASURES - RUSSIAN

By Chaim Kramer with Yitzchok Bell

What made Rebbe Nachman different from many other Chassidic masters was his ability to access the mysteries of the Kabbalah and extract practical advice for living life to the fullest. Here the Rebbe elucidates one of the first secrets of Creation – how God went about creating the world as we know it – and applies its lessons to our own quest for physical, financial, emotional and spiritual success. An invaluable guide for achieving personal greatness.
RABBI NACHMAN'S STORIES - RUSSIAN

Our Sages told stories to convey the deepest secrets about God and His relationship to the world. Rebbe Nachman expertly plied this ancient art to create some of the most intriguing stories and parables ever told. More elaborate than any previous teachings, the Rebbe’s allegorical stories are fast-moving, richly-structured and deeply insightful, while containing all the ingredients of a marvelously entertaining read.
